Teacher-Leader/Coach: I know the demographics of this school are very different from your last.

New Teacher: Yes, my last school was very affluent and had a lot of parental involvement.

Teacher-Leader/Coach: How has the switch been?

New Teacher: Difficult. I'm having trouble engaging all of my students. They have vastly different levels.

Teacher-Leader/Coach: I have a few ideas that have worked for me that may help you.

New Teacher: I'd love to hear them! Thank you!
